

NetJets Tour

4111 Bridgeway Ave
Columbus, OH 43219
Saturday March 24, 2007
10:00 AM

NetJets is accessible from 670. Exit 670 towards airport, go to first traffic light which is Stelzer Rd., go left to Johnstown Rd, then right onto Bridgeway Ave. Go approximately 4 tenths of a mile to 4111 Bridgeway Ave. The parking area can also be reached by taking the 270 outer belt to N Hamilton Rd exit; go south on Hamilton and right onto Sawyer and onto Bridgeway Ave.

Please pull into the employee parking; ring security, and tell them you are with Chapter 9. After you park, we will gather in the NetJets Grille or outside in the café area if the weather cooperates. The tour will depart that area promptly at 10:00am. Please come and see another dimension of general aviation.

NetJets operates over 600+ aircraft world wide and have operations bases in Okatie, SC; Cincinnati, OH; Lisbon, Portugal; Jeddah, Saudi Arabia. We are responsible for 400+ in Columbus and run on an average day around 800 flight segments. Our clientele range from sports and entertainment figures to supplementing corporate flight departments.

Contact Information

Although an exact count is not necessary for this tour Greg would like to have some idea of the number of people interested. Please email Greg Schroeder if you plan to attend.
